This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. AS AMENDED TO JUNE, 1897.

Name.

I. The Club existing under this Constitution is the UNION CLUB OF THE CITY OF NEW YORK.

Property.

II. The real estate of the Club is now vested in Trustees, and shall be held or transferred by them, or their successors, as may be directed by the Governing Committee.

Government.

III. 1. The Government and management of the Club is confided to a Committee of twenty-four of its members, to be known as the Governing Committee.

2. The Governing Committee is divided into three equal classes, and the term of office of the oldest class shall expire on the Second Wednesday of each June, or when their successors are elected.

3. Members to replace the outgoing class, and to fill vacancies in the other classes, shall be elected by the Club at the annual election.

4. A majority of all the votes cast shall be necessary to the election of a member of the Governing Committee, either to a place in the incoming class, or to fill a vacancy in either of the other classes.

5. No member shall be eligible for election to the Governing Committee unless his name shall have been posted as a candidate in a conspicuous place in the Club House for at least ten days before the election.

6. Any member of the Governing Committee who shall absent himself from three consecutive regular meetings, unless he shall have previously obtained permission so to do from the Committee, or shall present at the next regular meeting an excuse for his absence sat-

Powers of the Governing Committee.

6. To fix penalties for violation of the Rules, and to enforce the same.

7. To remit penalties for offences against the Rules, and for accidental violations of the Constitution.

8. To put an end to membership for any conduct of a member, not in violation of the Constitution or the Rules, but improper and prejudicial to the Club.

9. To call special meetings of the Club to consider a specific subject.

10. To make rules for their own government, and to fix and enforce penalties for the violation of such rules.

2. Candidates for membership must be proposed and seconded by two members, in their own handwriting, in a book kept for that purpose, at least ten days previous to a meeting of the Governing Committee, and their names posted in a conspicuous place in the Club House for the same length of time.

3. Army and Navy members, when they resign from the Army or Navy, may become regular members by applying to the Secretary to be transferred from the Army and Navy list to the list of regular members, and paying the annual dues from the date of their resignation.
